

The North West Speech/Language Pathology Conference

*College and Career Ready (CCR) IEPs and the Five Step Process:
An in-depth look at the explicit function and role of speech and language
in the new process and revised IEP forms.*

Date: Thursday, March 9, 2017

Time: 9:00 am to 3:00 pm

Location: CESA 11 Office
225 Ostermann Drive
Turtle Lake, WI 54889

Cost: \$25.00 per person

Registration: <https://goo.gl/D9nxuo>

The registration cut-off date is February 22, 2017 or if we reach room capacity prior to this date.

This conference will focus on the revised CCR IEP forms and the new five step process to writing IEPs explicitly through the lens of speech and language. Communication is woven throughout the forms and the process. Participants will learn and be able to apply all the aspects of speech and language to the five step process to write effective, efficient and compliant IEPs. If you have any questions about what is required in the new IEP team process for speech and language, this is the conference for you! SLPs will learn about the unique applications of speech and language in discussion as well as in work with participant IEPs facilitated by your DPI speech and language consultant, Sheryl Thormann. Participants will leave knowing how to lead the new five step process and fill out the revised forms for speech and language with ease!

Speech Language Pathologists will learn about and participate in:

- Writing and implementing *College and Career Ready IEPs* for speech and language;
- The role of the SLPs in the new five step IEP team process;
- Strategies for implementing the new IEP team process and writing the IEP for SLPs;
- The unique areas that apply to speech and language and what is expected;
- Work on your specific IEPs and cases with
- A question and answer period with your DPI consultant along with time to network with your colleagues and more.....

Don't Delay! Space is limited!
